GRAYCO
CONSTRUCTION SERVICES

WHAT TO EXPECT · AFTER YOUR PROJECT

Thank you — here's what comes next

Your project is complete, but we are not going anywhere. Keep this page with your closeout documents.

Keep these together

- ✓ Contract and any signed Change Orders
- ✓ Final sign-off / completion certificate
- ✓ Your GrayCo warranty certificate
- ✓ Warranty registration card (return a copy to us)
- ✓ Final lien waiver (after final payment)
- ✓ Manufacturer warranties & care guides
- ✓ Your Checks & Balances sheet

Your workmanship warranty

Roofing — all roofs	**5 years**
Residential remodel	**1 year**
Insurance / restoration	**5 years**
Commercial	**1 year**

Starts on the completion date on your certificate. Your warranty certificate is the controlling document.

Covered: defects in workmanship by GrayCo or its subcontractors, and improper installation of GrayCo-supplied materials. Manufacturer warranties apply to materials.

Not covered: owner-supplied materials, normal wear and tear, damage after completion by owners/tenants or others, new damage events or natural disasters, and work by contractors not hired by GrayCo.

Need warranty service?

Call **(901) 585-0944** or email **office@grayco-cs.com** with your name, address, job # and a photo if you can.
We respond within 24 hours.
After-hours emergencies: (901) 692-7255

Caring for your project

General tips — always follow the manufacturer care guides we leave with you.

- **Roofs:** keep gutters and valleys clear; check from the ground after major storms — please don't walk on the roof.
- **Tile & showers:** use non-abrasive cleaners; keep caulk joints in good shape and ventilate after showers.
- **Paint & drywall:** let new paint cure before scrubbing; keep leftover paint for touch-ups.
- **Floors:** use felt pads under furniture; clean spills promptly.
- **After water damage:** tell us right away about any new staining, odor or soft spots.
- **Commercial:** report tenant modifications that affect our work before they happen.

★★★★★

How did we do? Share it in a Google review.

If we earned it, a quick review helps your neighbors find a contractor they can trust. Point your phone camera at the code — it takes about a minute.
