WHY GRAYCO

Checks & balances on every job

Remodeling happens inside your home. You deserve to know who is responsible, what is being checked — and to see it in writing.

Everything in writing
Written estimate, signed contract before any work begins, and a signed Change Order before any change.

One point of contact
Your dedicated Project Manager runs your job start to finish — and our office reviews every stage behind them.

Photo-documented
We photograph existing conditions, progress and completion (CompanyCam), so there is a record of every step.

Stage sign-offs you can see
We leave a Checks & Balances sheet on site: pre-start, daily, mid-job, punch list and final walkthrough — dated and initialed.

Clean site, every day
Daily clean-up, debris hauled off, final cleaning before we call it done.

Closeout done right
Final walkthrough with you, written warranty certificate, and lien waivers so your property is protected.

Common questions

What if we find something behind the walls?
Rot, mold or structural issues are communicated immediately with photos and options. Extra work is done only with a signed Change Order.

How do payments work?
Progress draws tied to milestones defined in your contract. We invoice you at each milestone; final payment follows the final walkthrough.

Who handles permits?
GrayCo handles permit applications unless otherwise noted in your contract.

What is the Checks & Balances sheet?
A one-page record we leave on site. Each stage — pre-start, daily, mid-job, punch list and final walkthrough — is dated and initialed by your PM and reviewed by our office.

Can I see progress when I'm not home?
Yes — daily progress photos are available on CompanyCam.

Written warranty
Workmanship warranty: 1 year from completion, plus manufacturer warranties on materials. Your warranty certificate is issued at closeout. Roofs: 5 years. To file a claim: (901) 585-0944 or office@grayco-cs.com — we respond within 24 hours.
