WHY GRAYCO

Checks & balances on every job

A roof is your home's first line of defense. Here is how we make sure the job is done right — and how you can see it for yourself.

Everything in writing
Written estimate, signed contract before any work begins, and a signed Change Order before any change.

One point of contact
Your dedicated Project Manager runs your job start to finish — and our office reviews every stage behind them.

Photo-documented
We photograph existing conditions, progress and completion (CompanyCam), so there is a record of every step.

Stage sign-offs you can see
We leave a Checks & Balances sheet on site: pre-start, daily, mid-job, punch list and final walkthrough — dated and initialed.

Clean site, every day
Daily clean-up, debris hauled off, final cleaning before we call it done.

Closeout done right
Final walkthrough with you, written warranty certificate, and lien waivers so your property is protected.

GOOD TO KNOW

What to expect

- **Noise:** tear-off is loud. We'll confirm start time, parking and dumpster placement before day one.
- **Weather:** roofing is weather-dependent. Your PM will tell you right away about any schedule change.
- **Communication:** same-day response to calls, texts and emails.

Common questions

Repair or replace — how do I know?
We show you photos of what we found and explain the options. If a repair will do the job, we'll tell you.

Will insurance cover my roof?
That depends on your policy and the cause of damage. We document it and meet your adjuster; your carrier decides coverage.

Do I need to be home?
Not all day — but we need you (or your representative) for shingle and decking approvals and the final walk.

Storm damage — can you help with the claim?
Yes. We document the damage, meet your adjuster and keep you informed.

What is the Checks & Balances sheet?
A one-page record we leave on site. Each stage — pre-start, daily, mid-job, punch list and final walkthrough — is dated and initialed by your PM and reviewed by our office.

Written warranty

Workmanship warranty: 5 years from completion, plus manufacturer warranties on materials. Your warranty certificate is issued at closeout. 5 years on every roof — residential, commercial or insurance. To file a claim: (901) 585-0944 or office@grayco-cs.com — we respond within 24 hours.
